OPERATIONS MANAGEMENT

Strategic Planning / Resource Allocation and Optimization / Process Improvements
Relationship Management / Staff Development / Coaching and Mentoring

Seasoned, results-producing management professional with experience steering and directing all aspects of operations, including budgeting, staffing, and training. Skilled in leading multiple projects simultaneously with competing priorities involving program development, safety initiatives, and quality control. Effectively collaborate with both domestic and international groups to achieve organizational diverse objectives through the delivering comprehensive analyses and reports to facilitate site-wide improvements and continuity.

Intuitive leader inspiring high productivity levels; repeated success guiding sizeable cross-functional teams to meet and exceed goals. Strong interpersonal and communication skills; proactively working with military and external agencies. Strong interpersonal and communication skills; proactively convey operational needs to executive-level management. Possess active Top Secret / SCI security clearance.

Core Competencies.

- Process Redesign / Change Management
- Budgeting and Financial Forecasting
- Cost Analysis and Reporting
- Policy and Procedure Development
- Risk Management / Quality Control
- Performance Metrics and Evaluations
- Government and Vendor Relations
- Team Building and Retention Initiatives

PROFESSIONAL EXPERIENCE

United States Army

Regional Operations Manager (2/2009 to 10/10)
Managed operations for 1,200-member unit, providing immediate and ongoing support throughout region. Implemented strategies and developed processes impacting new staff appointments, promotions, retirements, transfers, and terminations. Served as business unit manager, guiding team in performing broad range of administrative duties. Wrote, edited, and implemented new policies, procedures, standard operating practices and standard operating procedures (SOPs). Created reports and presented recommendations to improve operations; established cost development standards, policies, and procedures and maintained operational budgets totaling $2.5M. Developed series of comprehensive training programs, served as resource on requirements needed for advancement.

Selected Contributions:

- Successfully supported thousands of team members in professional development and leadership.
- Successfully improved operations while experiencing as much as 30 percent decrease in workforce.

United States Army

Operations Manager (5/2007 to 2/2009)
Directed workflow of 138-member team, implementing effective staff and resource management strategies to meet and exceed goals. Developed, tracked, and reported on key performance indicators and productivity metrics. Aligned staff resources with workflow requirements, provided teams with up-to-date operational information in highly dynamic environment. Implemented plans to optimize staff training in support of organizational goals. Conducted performance evaluations and provided ongoing feedback to support performance management. Assessed daily activities and outcomes, presenting weekly reports to senior executives.
